Jon Petz

Dear Jon:

We would like to thank you for your wonderful performance at our company Holiday Party this year. We have received positive feedback on the show from all in attendance as they particularly enjoyed the style of the routine. They pointed out that in addition to liking your magic they also liked the audience participation and the way in which humor was mixed into the show. These things combined to keep their attention throughout the entire act.

We provide this recommendation for your performance to anyone that you would like to work with in the future. If you or your potential clients have any additional please don't hesitate to call or have them contact me directly.

Sincerely,
