Jon Petz

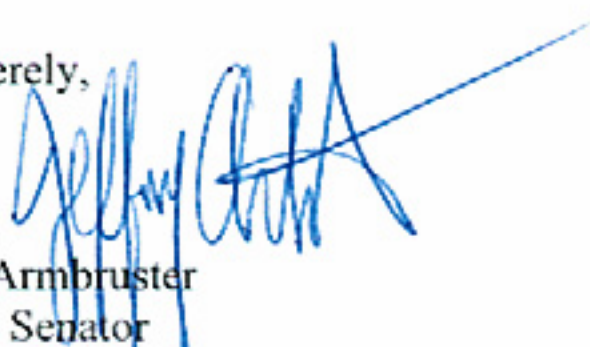

Dear Jon:

I wanted to take a moment and thank you again for the wonderful entertainment you provided at my annual golf outing, fishing derby and birthday bash. The event was a huge success!

Everyone was amazed by your strolling magic show during cocktail hour. However, you certainly outdid yourself during the dinner act! People are still raving about you! The whole night was highly entertaining and provided all of the guests with a good laugh.

Again, I really appreciate you joining us. I will be sure to keep you in mind for any future events!

Sincerely,

Jeff Armbruster
State Senator
